## **INTERNATIONAL CONFERENCE ON**

### **HEALTH CARE LEADERSHIP DEVELOPMENT AND TRAINING (HCL CON-2018)**

**Date: 05-09.2018,Wednesday**

**Venue: Silver Jubilee Auditorium, TNMGRU**

#### **BACKGROUND OF THE CONFERENCE**

Leadership has been described as the behavior of an individual when directing the activities of a group toward a shared goal. The key aspects of the healthcare leadership role involves influencing group activities and coping with associated improvements in patient care or organizational outcomes. Leaders may be identified by high output and good performance in both quantitative and qualitative terms of the team which they lead. The morale of the team led is of a high level with a commitment to achievement of goals, both personal and organizational which are correspond, and a high level of motivation. The main objective of HCL CON-2018 is to **“BUILD SKILLS TO FACILITATE HIGH PERFORMANCE EFFECTIVE PROFESSIONALS IN HEALTH AND HOSPITAL SYSTEM”**. The Conference will feature invited talks, keynote address from wide range of medical/paramedical leaders from various medical institutes and hospitals.

. *“It is the art of getting other people to follow you and to willingly do things that you want them to do.”*
