TAMIL NADU STATE COUNCIL FOR SCIENCE AND TECHNOLOGY

Tamilnadu State Council for Science and Technology (TNSCST) was formed in 1984 by Government of Tamilnadu as an autonomous apex body to aid development of Science and Technology sector of our State. The Council is implementing various Science and Technology schemes related to research and development, extension and field oriented programmes for the welfare of the science community.

PATENT INFORMATION CENTRE

Patent Information Centre has been set up as a joint initiative of Department of Science and Technology, Government of India and Tamil Nadu State Council for Science and Technology, Government of Tamilnadu in 2005 to boost up the growth of Intellectual Property Rights(IPR) for the economic benefit of the state. The major objectives of the Centre are to spread awareness about the importance of IPR among

Scientists, Researchers, Students, Faculty, Industrialists and Entrepreneurs, to cater the IPR needs of the state so as to create a strong IPR base in the state, to enhance the quality of Research and Development, to provide techno-legal assistance and to increase the number of Intellectual Property Registration within the state and neighbouring regions.

THE TAMIL NADU DR. M.G.R. UNIVERSITY:

The Tamil Nadu Dr. M.G.R. Medical University is one of the premier Medical Universities named after the former Chief Minister of Tamil Nadu, (late) Hon. Dr. M.G.Ramachandran (M.G.R) and it is the second largest Health Sciences University in India. This is the only Medical University in Tamil Nadu capable of granting affiliation to new institutions under Government or Self-financing in Medical, Dental, Indian Medicine/Homoeopathy & Allied Health Sciences (Pharmacy, Nursing, Physiotherapy, Occupational therapy etc.) and awarding degrees under a single umbrella to maintain uniform and high standards of education. Until 1988, all degrees of Health Sciences were awarded by the University of Madras. The Students admitted to the various Medical and Paramedical courses after 1.3.1988 come under this Medical University as per Government notification issued in G.O.Ms.No.1628/Health, Indian Medicine and Homoeopathy and Family Welfare Department dated 23.08.1988. The University also promotes research and disseminates knowledge gained therefrom.

INTELLECTUAL PROPERTY RIGHTS

Intellectual Property Right plays a key role in gaining advantages position to promote economic growth of our nation. India enjoys a large asset of R&D personnel and infrastructural facilities. Scientists and policy makers need more information, orientation and facilities for protecting the products of intellectual prowess of Indian Scientists
