FELLOWSHIP IN MEDICAL

SCIENCE COURSES

## FELLOWSHIP IN MEDICAL SCIENCE COURSES

### FELLOWSHIP IN CRITICAL CARE MEDICINE (2301)

#### FINAL YEAR

(candidates admitted 2012–2013)

|      |                     |    |                                         |        |
|------|---------------------|----|-----------------------------------------|--------|
| Wed  | 15.04.2015          | I  | Basic Sciences applied to Critical Care | 231001 |
|      | 9.30 am to 12.30 pm |    |                                         |        |
| Thur | 16.04.2015          | II | Critical Care Management                | 231002 |
|      | 9.30 am to 12.30 pm |    |                                         |        |

### FELLOWSHIP IN CLINICAL DIABETOLOGY (2302)

#### FINAL YEAR

(candidates admitted 2012–2013)

|      |                     |    |                                          |        |
|------|---------------------|----|------------------------------------------|--------|
| Wed  | 15.04.2015          | I  | Basic Science and Laboratory in Diabetes | 232001 |
|      | 9.30 am to 12.30 pm |    |                                          |        |
| Thur | 16.04.2015          | II | Clinical and Practical Diabetes          | 232002 |
|      | 9.30 am to 12.30 pm |    |                                          |        |

## FELLOWSHIP IN ULTRASOUND (OBGYN) (2303)

### FIRST YEAR

(candidates admitted 2013–2014)

|      |                                   |     |                                                                                                                                                                         |        |
|------|-----------------------------------|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| Wed  | 15.04.2015<br>9.30 am to 12.30 pm | I   | Basic of Ultrasound                                                                                                                                                     | 233001 |
| Thur | 16.04.2015<br>9.30 am to 12.30 pm | II  | Basic sciences related to Ultrasound<br>(Embryology, Anatomy, Physiology<br>of Reproductive System, Pathology and<br>Clinical aspects of Obstetrics and<br>Gynaecology) | 233002 |
| Fri  | 17.04.2015<br>9.30 am to 12.30 pm | III | Gynaecological Ultrasound                                                                                                                                               | 233003 |
| Mon  | 20.04.2015<br>9.30 am to 12.30 pm | IV  | Obstetrics Ultrasound - Part I                                                                                                                                          | 233004 |

### SECOND YEAR

(candidates admitted 2012–2013)

|     |                                   |     |                                 |        |
|-----|-----------------------------------|-----|---------------------------------|--------|
| Tue | 21.04.2015<br>9.30 am to 12.30 pm | V   | Fetal Environment & Doppler     | 233011 |
| Wed | 22.04.2015<br>9.30 am to 12.30 pm | V I | Fetal Anomalies & 3D Ultrasound | 233012 |

FELLOWSHIP IN OCCUPATIONAL HEALTH (2332)  
FINAL YEAR  
(candidates admitted 2013-2014)

|     |                     |   |                         |        |
|-----|---------------------|---|-------------------------|--------|
| Wed | 15.04.2015          | I | Occupational Health - I | 234001 |
|     | 9.30 am to 12.30 pm |   |                         |        |

|      |                     |    |                          |        |
|------|---------------------|----|--------------------------|--------|
| Thur | 16.04.2015          | II | Occupational Health - II | 234002 |
|      | 9.30 am to 12.30 pm |    |                          |        |
