INSTRUCTIONS TO THE CANDIDATE

1. Kindly check whether your register number, subject code etc. printed correctly on the Answer Booklet. If not, please contact the Chief Superintendent.
2. Write your Register Number, Subject Code etc., in the Bar Coded Sheet in the Column specified. Register Number should not be written anywhere else in the answer book
Illustrations for Writing Numerals. 
3. You are prohibited from writing your name in any part of the answer book including the Bar Coded sheet.
4. Verify the given question paper of subject, Regulation, title etc. before answering.
5. Use both sides of the paper for answering questions.
6. Possession of any incriminating written / printed / xerox material, calculator, cell phone or any other electronic devices are totally prohibited.
7. Malpractice of any nature is punishable as per University Statutes.
8. Write the answers according to the order in the question paper.
9. Additional sheets are incorporated in the Answer Booklet.
10. Write the page number of the written answer in the Tabulator column (I) provided for the candidate.

INSTRUCTIONS TO THE EXAMINER

1. The paper valuator should prepare common key to the question paper for each subject concerned, on the first day of Valuation. Only after setting the answer key, bundles will be given for valuation.
2. Marks should be awarded according to the keys.
3. Paper valuator should mark -0- in the front sheet for a question if the candidate has
 - Written wrong answers
 - Irrelevant answers
 - If '0' mark is awarded for an answer, hyphen should be put before and after "0" i.e. -0-
4. Paper valuator should mark NA for a question if the candidate has not attended a particular question.
5. Boxes pertaining to the questions should not be left blank. Some description should be there.
6. Overwriting should not be done while awarding the marks. In case, if a paper valuator wants to correct/change the marks awarded, he has to strike the marks and write the fresh marks clearly and should sign near it.
7. Total Marks should be written in Words in the space provided. The word 'only' should follow the total marks written in words.
8. There should not be any discrepancy between the marks written in numerical and that written in words. If any discrepancies, the marks written in words will be taken as final.
9. It is paper valuator's responsibility to check the totaling of marks before making computer entry to avoid incorrect publication of results.
10. Examiners are requested to be doubly careful before finalizing the marks.
11. Paper valuator are fully responsible for legal issues arising in the valuation of paper as directed by the court.
12. Examiner will be held responsible for all incorrect entries.
13. Examiner is to confirm whether marks are awarded to all the answers given in tabular column (I) written by the candidate.

ADDITIONAL INSTRUCTIONS TO THE CHIEF SUPERINTENDENT

1. If the printed register number does not match with the candidate's register number, the printed register number should be struck out and the same should be informed to the University.
2. The Chief Superintendent has to check whether the first tabular column (I) is filled by the candidate with the page number of the written answer.
