POINT NO:2

It was resolved NOT TO PERMIT the candidates who have completed Diploma after 10th or 10+2 without Physics, Chemistry and Biology subjects to undergo B.Sc. Allied Health Sciences Courses through Lateral entry, since the syllabus of B.Sc. Allied Health Science Courses contains Basic science subjects like Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology etc.

It was also resolved that AERB approval is mandatory for the required equipments as per affiliation guidelines to start B.Sc. Radiography and Imaging Technology course.

This will be implemented from the academic year 2018-2019 admission onwards.

POINT NO:3

CANDIDATES WHO HAVE COMPLETED THE COURSE OF STUDY (FIRST, SECOND AND THIRD) SUCCESSFULLY WITH REQUIRED ATTENDANCE BUT NOT APPEARED FOR TWO CONSECUTIVE EXAMS.

The Existing Regulations of this University for Break of Studies states that the break for less than six months , the Principal / Dean of the college can permit to rejoin the course under intimation to the university. If the break up of study is more than six months, the candidate has to apply to the university through the Dean /Principal of the college. The University shall condone the break and the candidate be permitted to complete the course and appear for exams.

On scrutiny of the applications forwarded by the Institutions for condonation of break of study, most of the candidates have completed the course of study (first, second and third) successfully with required attendance but not appeared for two consecutive exams sessions due to family and finance problems. But there is no provision in the regulation of this University.

After detailed deliberation, the committee opined as follows:

- All the Institutions shall be instructed to send Internal Assessment and Attendance particulars of all the registered candidates for the particular year of study.
- The Institutions after scrutiny of I.A. & Attendance, shall permit only eligible candidates to pay the Examination fees.

- The following time schedule shall be followed to streamline the candidate application for Examination.
