POINT NO.1

DISCUSS AND DECIDE ON THE PROPOSAL SUBMITTED BY Dr.CLARENCE DAVY, PRINCIPAL, GOVERNMENT AYURVEDA COLLEGE, NAGERCOIL

1. Instructions to the question paper setters: Question papers should be prepared as per the guidelines prescribed in the syllabus. All the topics of the syllabus must be covered & topics should not be omitted.

The Board of Studies recommends that the University may direct the question paper setters to ensure that questions are as per the topics of the syllabus and not to repeat the questions in the same topic and also to ensure that questions are selected equally for the two sections.

2. Results of university exams to be published at the earliest after completion of Exams because classes for the next year starting immediately after the completion of exams. All the students are allowed to attend next year's class. If the student gets a break in the University exam, it is very difficult to manage.

The Board of Studies recommends for early publication of results.

- 3. As per university exam schedule – Students should pay the exam fee first and then the attendance is uploaded. If a student is not having attendance and paid exam fees, students and their parents are creating lot of issues; hence, we are forced to upload 75% attendance to the students who are not having 75% attendance.**

The Board of Studies recommends that students be informed that 75% attendance is mandatory, even though the Examination Fee is paid before securing 75% attendance of the candidate.

- 4. Any representation of teaching faculties forwarded by Head of Institution must be encouraged.**

The Board of Studies recommends that all types of representations of faculties should be forwarded only through the Head of the Institutions to the University.

- 5. Valuation by allied subject teachers should not be encouraged.**

The Board of Studies recommends that list of faculties with relevant experience in the field should be forwarded to the university by the Head of the Institution for valuation/practical examination purpose.

The Standing Academic Board has resolved to accept the recommendations of Board of Studies.
