\*\*\*\*

It has recently come to our notice that some institutions have been conducting Graduation Day under the name of Convocation for the distribution of Degree Certificates sent by the University to the UG / PG graduates.

In this connection, it is informed that, the affiliated Institutions are not permitted to conduct / host a convocation ceremony, as the conferral of degrees is exclusively undertaken during the Convocations organized by the University. Consequently, the affiliated institutions are advised to conduct Graduation Day / Graduates' Reception Day by issuing Completion Certificate.

The Chairman /Managing Trustee / Secretary of the Trust /Society of all the affiliated institutions have to strictly adhere the circular for conducting Graduation Day in your institution.
