**Sub: Observance of National Road Safety Week
from 11-17 Jan. 2015- regarding**

Sir/Madam,

This has reference to the subject cited above and to state that the 28th National Road Safety Week is being observed from 11th to 17th Jan.2015. The NSS Volunteers are actively involved every year in the Road Safety Awareness Programmes. NSS plays a vital role in making our Roads safer and to make Road Safety a Social Movement.

The theme of the Road Safety Week for this year is 'Safety is not just Slogan, it's a Way of Life'. It is felt that Road Safety Week shall not be observed merely as an annual event but should be an opportunity for civil society to introspect on all aspects of Road Safety and for all to adopt safe practices in their daily lives.

You are, therefore requested to circulate the information to all the NSS Units under your jurisdiction and instruct them to observe the National Road Safety Week from 11th to 17th Jan.2015 in a befitting manner. The Guidelines are enclosed in this regard for your compliance.

You are further requested to send the report to this office immediately after completion of the Programme.

Your cooperation and early action in the matter is highly solicited.

Yours faithfully,

(SUBHASH CHAND)
ASST. PROGRAMME ADVISER
