Sub: Admissions made in PG Courses for the academic session 2011 - 2012 in excess of the admissions made in the management quota i.e. Above 50% fixed by the council.

Sir,

On perusal of the list, it is noted that the college had admitted excess students in the management quota i.e. Above 50% for the following postgraduate medical course(s) for the said sessions.

As per Regulation 9 of the Postgraduate Medical Education (criteria for Selection of Postgraduate Students in medical colleges) Regulations 2000, pertaining to the Selection of Postgraduate Students reads as under:-

" Provided further that in non-Governmental institutions fifty percent of the total seats shall be filled by the competent authority and the remaining fifty per cent by the management of the institution the basis of merit."

You are therefore, requested to clarify regarding the excess admission made in the management quota as above within 10 days for further necessary action in the matter.

Your faithfully,

Sd/.....
(Dr. Anshu Sethi Bajaj)
