Medicine**

# PREFACE

---

The goal of the Graduate Medical Education Regulation (GMER) is to sculpt every medical student into a responsible Indian Medical Graduate who can cater to the needs of the society. The thrust in the new regulations is to make medical education more learner-centric, patient-centric, gender-sensitive, outcome-oriented and environment appropriate.

Communication and interpersonal skills are imperative in providing quality medical care. Our curriculum achieves this by providing dedicated curriculum time in the form of a longitudinal program based on Attitude, Ethics and Communication (AETCOM) competencies. Foundation Course is to orient medical learners to MBBS programme, and provide them with requisite knowledge, communication, technical and language skills.

Electives allow students to get exposed to diverse environment, get a glimpse of future career, to revisit basic sciences of their own interest and indulge in research activities. Family adoption program aims to provide experimental learning opportunity to Indian Medical Graduates in community-based health care.

Skill laboratories have been incorporated into the curriculum for the learners to get an opportunity to learn clinical and communication skills while eliminating the fear of harming patients. The Learner-doctor method of clinical training (Clinical Clerkship) is to provide learners with experience in longitudinal patient care, by being part of the health care team providing hands-on care for patients.

This academic record / log book should be maintained as a document to record day-to-day academic activities, assessments, grading of assessments and its feedback. Periodic recording of all academic activities should be done by the student and has to be submitted to the faculty in-charge during feedback sessions. This document will incorporate in it all components that are being assessed for the final internal assessment and should be submitted to the concerned department and the examiners. Internal assessment marks will be given after evaluating this document. For subjects spanning across different phases this academic record has to be maintained for that particular subject and has to be evaluated at the end of posting in each phase.

# CERTIFICATE

---

This is to certify that the candidate  
Mr./Ms..... Reg No.  
....., admitted in the year ..... in the  
.....  
..... (Medical College) has satisfactorily completed / has  
not completed all assignments / requirements mentioned in this logbook for first year MBBS  
course in the subject of Community Medicine during the period from ..... to  
..... She / He is eligible / not eligible to appear for the summative (University)  
assessment as on the date given below.

# SELF DIRECTED LEARNING

---

**Note:**

1. This section includes academic mile stones attained through self-directed learning. The learner shall be assigned a specific learning objective for each session. (Library assignments, seminar, museum study etc.,)
2. The learner shall be given an assignment based on core and non-core topics of the curriculum and any other such topics as deemed necessary.
3. They shall record a detailed synopsis of the learning in this section. The student shall also record a list of the books/journals referred in Vancouver format.
4. The completion of such activity shall be recorded in this section by the learner and signed by the facilitator.

# SELF DIRECTED LEARNING

**Note:**

1. This section includes academic mile stones attained through self-directed learning. The learner shall be assigned a specific learning objective for each session. (Library assignments, seminar, museum study etc.,)
2. The learner shall be given an assignment based on core and non-core topics of the curriculum and any other such topics as deemed necessary.
3. They shall record a detailed synopsis of the learning in this section. The student shall also record a list of the books/journals referred in Vancouver format.
4. The completion of such activity shall be recorded in this section by the learner and signed by the facilitator.

# ATTITUDE, ETHICS AND COMMUNICATION

---

The “Indian Medical Graduate” (IMG) shall possess requisite knowledge, skills, attitudes, values and responsiveness, so that he or she may function appropriately and effectively as a doctor of first contact of the community while being globally relevant. In order to fulfill this goal, the IMG must be able to function in the following ROLES appropriately and effectively:

1. Clinician who understands and provides preventive, promotive, curative, palliative and holistic care with compassion.
2. Leader and member of the health care team and system with capabilities to collect, analyze, synthesize and communicate health data appropriately.
3. Communicator with patients, families, colleagues and community.
4. Lifelong learner committed to continuous improvement of skills and knowledge.
5. Professional, who is committed to excellence, is ethical, responsive and accountable to patients, community and profession.

**Note:**

1. This section includes academic mile stones attained through AETCOM learning. The learner shall be assigned a specific learning objective for each session.
2. The learner shall be given an assignment based on the AETCOM topics of the curriculum.
3. They shall record a detailed synopsis of the skill learnt in this section. The student shall also record a reflection of the learning and learning process.
4. The completion of such activity shall be recorded in this section by the learner and signed by the facilitator.

| Date | Topic                     |

## INTEGRATED SESSION

---

1. This section includes academic mile stones attained through horizontal and vertical integrated sessions.
2. The learner shall attend all such integrated sessions, observe, interact and understand the topic.
3. The learner shall submit the end of session assessment (e.g. MCQ session of 15-20 MCQ questions)
4. The completion of such activity shall be recorded in this section by the learner and signed by the facilitator.

| No. | Topic | Date of session |
|-----|-------|-----------------|
| 1   |       |                 |
| 2   |       |                 |
| 3   |       |                 |
| 4   |       |                 |
| 5   |       |                 |
| 6   |       |                 |

## **VII.CONTINUOUS INTERNAL ASSESSMENT**

---

### **A. CERTIFIABLE SKILL BASED COMPETENCIES (*THROUGH OSPE/OSCE/SPOTS/EXERCISE/OTHER*)**

**Note:**

1. This section captures the skills and competencies obtained by the learner during the course work in the department.
2. The facilitator shall assess the learner for the specific certifiable competency and those certifiable competencies which the learner has acquired shall be entered in this section. A record of these is also maintained in the assessment record.

## VIII. Research Protocol

## 8. Record of Project(s)

Note:

1. The learner may undertake a scholastic project of 1-2 months in the form of a clinical project or community project or research project.
2. These are based on the preferences of individual institutes.

[illegible]

## **IX.PHOTO STORY**

---

1. Students may document the important moments of this journey e.g. prizes won, competitions attended, department activities etc.,
2. These are based on the preferences of individual institutions.
3. The projects are voluntary activity and not included for internal assessment.

## **X.CO-CURRICULAR ACHIEVEMENTS**

---

1. This section shall include the important co-curricular activities in which the student is involved during the academic year which shall be documented for the student and the department e.g. prizes won, competitions attended, etc.
2. These are based on the preferences of individual institutions.
3. The projects are voluntary activity and not included for internal assessment.

## XI. Competencies Checklist

---

| Number                                                                       | COMPETENCY                                                                                                                                                                   | Completed (Y/N) |
