“Online Certificate Course in Plasma Exchange in Rodenticide Poisoning”

The Tamil Nadu Dr. M.G.R. Medical University is proud to invite for applications from eligible / interested candidates to be admitted into “Online Certificate Course in Plasma Exchange in Rodenticide Poisoning”. This Online Certificate Course is the first of such training programme on this topic in the country.

Name of the course: “Plasma Exchange in Rodenticide Poisoning”

Aim of Course: To train doctors taking care of patients who ingest rodenticide as poison and develop liver damage in the use of plasma exchange treatment.

Eligibility criteria:

The Course is open to all Postgraduate students and Faculty members working in Government Medical Colleges as well as self-financing Medical Colleges affiliated to the Tamil Nadu Dr MGR Medical University and other Medical Universities in India.

Postgraduate students undergoing and Faculty members with D.M. (Hepatology / Gastroenterology / Critical Care), M.D. (Medicine/ Paediatrics /Toxicology/ Anaesthesiology/ Transfusion Medicine/ Emergency Medicine/ Pathology) and Diploma in Clinical Pathology are eligible to apply to pursue the course.

Number of Admissions:

A maximum of 40 students per batch.

4 Batches per year. (i.e. January, April, July & October)

Duration of the Course:

Duration of the Course is 8 weeks. There shall be one contact (OFF LINE) class per session. The contact class will be conducted at the end of 8th Module.

Centres:

Christian Medical College, Vellore, will be the Nodal Centre.

There shall be two affiliated teaching centres for conducting the off-line contact classes viz. the Department of Transfusion Medicine, the Christian Medical College, Vellore and the Department of Transfusion Medicine, Coimbatore Medical College, Coimbatore.

Course fees: INR 1,000/- (One thousand only) + along with 18% GST .

Travelling allowance & Dearness Allowance paid to the Faculties of Government colleges be borne by the Directorate of Medical Education.

Application should be forwarded through proper channel i.e. forwarded by the Head of the department and Dean of the institution.

Medium of instruction: English

How to apply: Candidates who wish to pursue this course may download the application and send the filled application to the University.

Educational Methodology: This certificate course will be implemented in a hybrid format. Didactic lectures (8 modules) once a week on every Wednesdays between 3 – 4 pm for 8 weeks. Duration of each module is 1 hour.

In addition to the 8 online lecture modules mentioned above, there will be one contact (OFF LINE) class. The contact class will be conducted at the end of 8th Module. The contact programme will provide real time exposure to the implementation of PLEX and how the PLEX team works.

On completion of each module, there will be a Post – Module Test. Candidates will be permitted to access the next module only on completion of the post-module test of the previous module.

In addition to the formative assessment (ie. test after each module); a summative assessment (test after completion of the course) will be done. Candidates need to achieve a minimum of 50% marks (combined formative and summative assessment scores) to pass the course.

Attendance: Candidates require 80% attendance (including the contact class attended- OFF LINE) to pass the course.

Marks qualifying for pass: 50% of marks in aggregate for 8 online modules (formative assessment) and the contact class - final (summative assessment) test.
